Considerations for Selection of Sec Schools

1. Distance from home
2. Learning environment that suits your child – school ethos, programmes, niches, CCAs and schemes available in the school
3. Previous year's posting aggregate range as a guide

Submission of Sec 1 Option

Via S1 Internet System

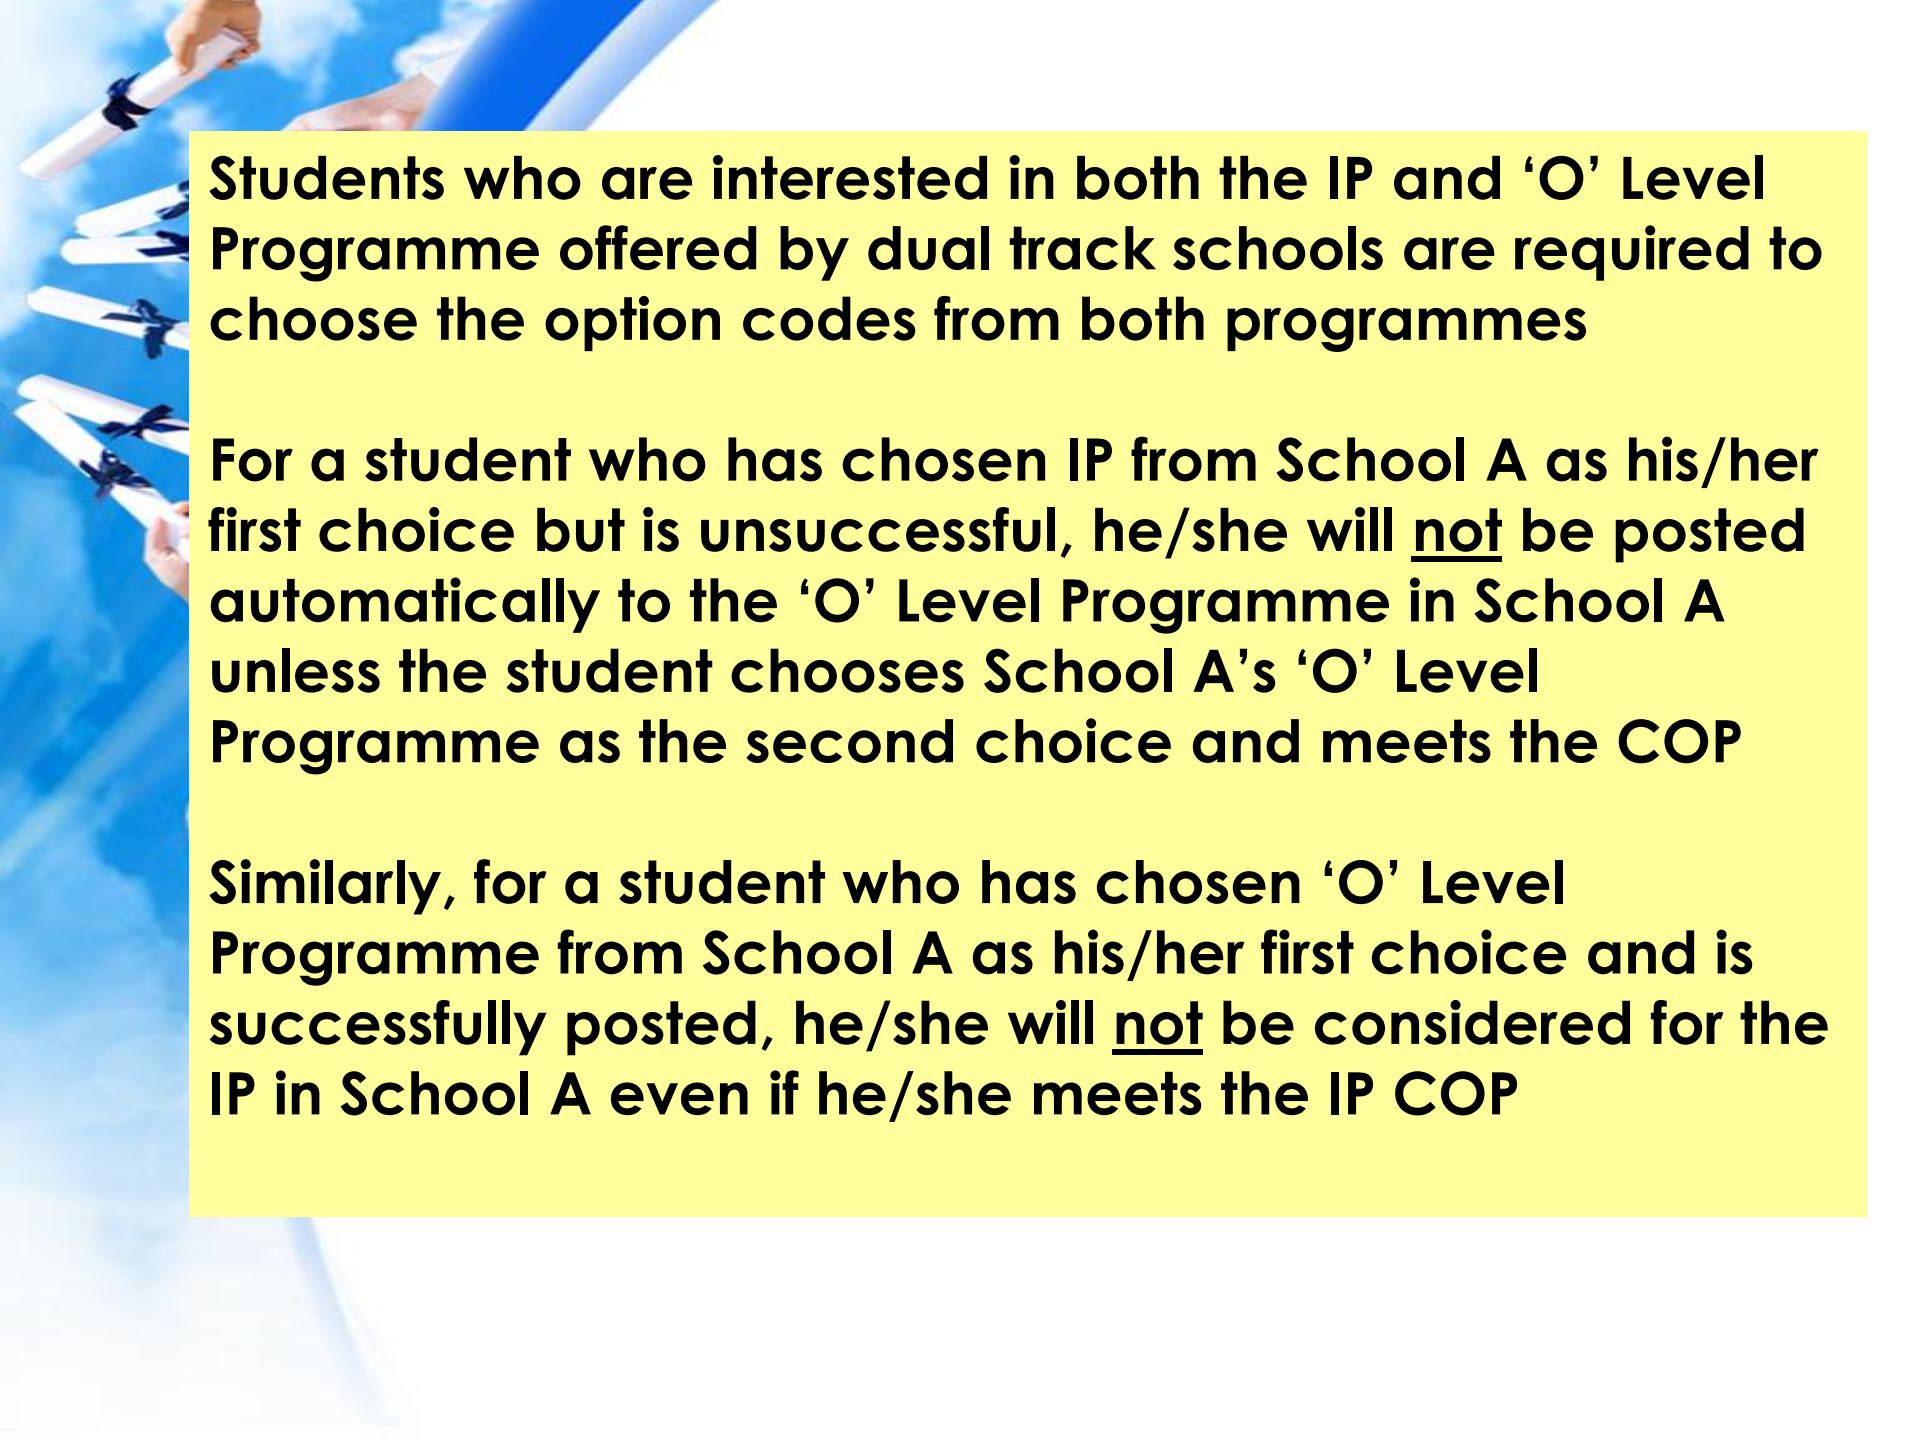

Use your child's unique S1 Personal Identification Number (S1 PIN) to submit the secondary school options via the S1 Internet System (S1-IS) on MOE's S1 Posting website at

<https://www.moe.gov.sg/admissions/secondary-one-posting-exercise>

• Available 24h/day from **11am on 24 Nov 2017 to 3pm on 30 Nov 2017**

Via Changkat Pr Sch

- **11am - 3pm on 24 Nov 2017**
- **9am - 3pm; 25 to 30 Nov 2017** (excluding Saturday and Sunday)

Students who are interested in both the IP and 'O' Level Programme offered by dual track schools are required to choose the option codes from both programmes

For a student who has chosen IP from School A as his/her first choice but is unsuccessful, he/she will not be posted automatically to the 'O' Level Programme in School A unless the student chooses School A's 'O' Level Programme as the second choice and meets the COP

Similarly, for a student who has chosen 'O' Level Programme from School A as his/her first choice and is successfully posted, he/she will not be considered for the IP in School A even if he/she meets the IP COP
