

End-of-Year Holiday Recommended Reading Lists & “Recommend A Book!”

As you are aware, your child received a set of recommended reading lists for English and Mother Tongue languages via T2W8’s weekly notification for their June holidays reading pleasure. The reading lists were distributed to the level pupils in 3 blocks i.e. P1/2, P3/4 and P5/6 and the full set [i.e. P1-6] was made available on our school website [<http://www.changkatpri.moe.edu.sg>] so that parents can access the lists from other levels too, if they wish to.

To continue with our endeavour of encouraging your child to read extensively, we have added **more** titles to the list, particularly English titles from National Library Board. We hope you will continue to partner us in this journey of supporting your child to be better and avid readers by making time to read with your child. Taking a personal interest in your child’s reading preference and habits will most certainly spur them on in their progress!

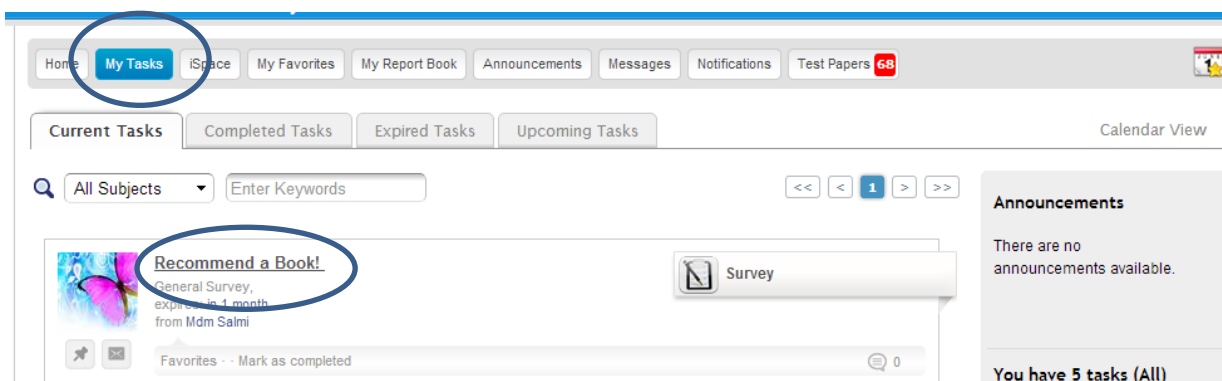

To celebrate reading, we would like to once again invite your child to share with us a book that they enjoy reading and recommend. Hence, we will be tapping on our Learning Management System, Asklearn’s survey feature to gather inputs from our level pupils. The collected inputs will then be used to further boost our reading culture. The survey will run from now till Monday, 6 Jan 2014, 2359 hours. Please assist your child through the following steps:

Steps to Assess Survey

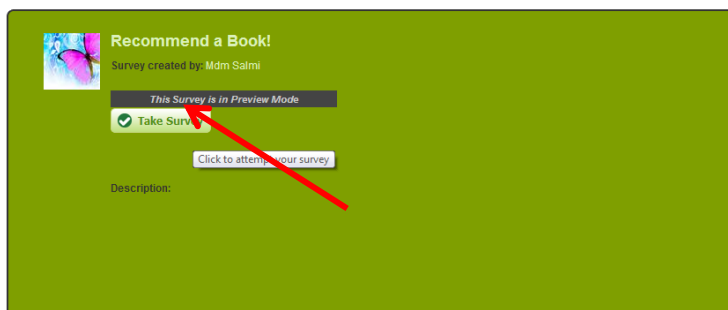

1. Login to asklearn: lms.asklearn.com

2. Go to “My Tasks” tab

3. Click on the survey, “Recommend a Book!”
4. Click “Take Survey” and answer the questions

School Values: Patriotism, Resilience, Integrity, Discipline and Empathy
